CONCESSIONS PACKET

What's Concessions?

Concessions is simply running a concession stand at a specific sporting event to earn money for your DonorDrive.

Concession Tips

- Each sporting event is a little different on where to show up to, what time, and how to sign-in, but as your shift date approaches you will be given this information from the Fundraising Team.
- You will either be working a cash register and taking orders, or preparing the food and drinks for these orders.
- You will be given a shirt and a hat once you sign-in at your shift. You are required to wear them and must return them after. Black pants (or shorts of appropriate length and no leggings) are to be worn. Remember to bring a mask, your license or ID, and your bar card as these are required!
- Having a bar card is the only way you are able to sell, pour, or hand out alcohol. If you are caught doing this without a bar card, you will be fined \$350.
- To sign up for a concessions, click the link accessible under Concessions 101 from the Fundraising Resources tab on the Dance Marathon Website.
